## Foster a Lonely Pet

This holiday, open your home to foster a cat from Duncan's Place-a cat sanctuary.

By providing foster care for just a few days or a couple of weeks during the holidays, you'll be helping rescues during a season when the pet's regular foster family needs some respite time. And if you're thinking of adopting, this will be a great way to see how adoption might work out. **Duncan's Place is participating in 'Foster a Lonely Pet for the Holidays' Program**
