## DUNCAN'S PLACE-a cat sanctuary

Holiday NEWSLETTER Special Edition 2009

### MORE GREAT NEWS!!

We are now at 75 kitties rescued to date with 6 more waiting to come in! We are, like other groups, experiencing a high rate of surrendered and abandoned cats. Know someone that would be a good foster parent? Send them our way!

Funds raised at Duncan's Dinner Benefit paid off a vet bill, bought food and supplies, restocked vaccines, and purchased vaccines for future vaccine clinics...because of generous folks like you! Hooray! Thank you for helping the kitties!

Duncan's Place is formally teaming up with P.U.P. (Prevent Unwanted Pets), Friends of Ferals, [Black Dog Rescue in Wyoming](#), and Rat Terrier Rescue of Wyoming. Duncan's Place is about more than a sanctuary for homeless kitties-we are friends with dogs and their helpers!!! Duncan's Place will be collaborating with these organizations with rescue, outreach, education and transitional services in support of the National "NO MORE HOMELESS PETS Campaign."

Thanks so much to Judy Prins for her generous donation of \$500, which will allow us to purchase many needed supplies (like cat carriers-they seem to have grown legs!). Thank you, Judy!

Thank you Jackie Rose for the Virtual Giving Tree. It is AWESOME!

Thank you so very much Merrick! Merrick has generously donated many cans (like 9 pallets full!) of high quality cat food to Duncan's Place. They should be arriving by semi any day! Like to help unload or have a little space to store some? Give Cathy a call at 214-2233

### TAKE ME HOME!?!?

Hi, I'm Toons! I can be very quiet and sweet but do love to play! I've been through a lot and would really, really appreciate a happy and love filled home where I can settle in and be your special kitty!

I'm SHASTA! I'm a 5 month old girl who was born in a pop machine! I can be a little shy when we first meet but will wait patiently for you to pet and love me. I like to play with my brother Pibbs. Playing, sleeping and scratching on a kitty condo are some of my favorite things but feathers are the BEST!.

My name is Shadow. I'm a cuddly 8 mo kitten who is full of energy and love. I had a rough start in life and one of my foster moms saved me from some really mean boys who were throwing me around like a football when I was just a few weeks old, I have come a long way since then!! My favorite toy is a ball of ribbons and I will entertain you with my tricks all day!
